

The Thinner the Air

Cocteau Twins

La...

La...

La la la la la

I'll ignore you

Don't leave now

How can ya

How dare you

Hold me dear

Woe is me dear

I'll ignore you

Please leave me

I'm ignoring ya

Please leave now

How can ya

Woe is me now

So tired

Clouds upon me

So tired

Clouds move me

Clouds move me and you too

Clouds move you and me too
