

## All About Us

CODE KUNST

Ooh, tell me that you want me  
Tell me that you need me  
Show me that you care  
Ooh, love is never easy  
When you're not mine completely  
Moments here and there

Always on my mind, waiting for a sign  
Crossing every line, oh the rush I feel inside  
Putting on a show, keep it on the low  
Faster as it goes, but I wanna take it slow

Ooh, it's our little secret  
Tell me, can you keep it?  
I know that I can

Yeah, only we know  
And only we know  
And only we know about us  
It's all about us  
All about us  
Yeah only we know  
And only we know  
And only we know about us  
It's all about us  
All about us

Ooh, baby I remember  
Back in late September  
When we were just friends  
Ooh, that day we drove to Venice  
Yeah, that night with you was endless  
Kissing on a pier

Always on my mind, waiting for a sign  
Crossing every line, oh the rush I feel inside  
Putting on a show, keep it on the low  
Faster as it goes, but I wanna take it slow

Ooh, it's our little secret  
Tell me, can you keep it?  
I know that I can

Yeah, only we know  
And only we know  
And only we know about us  
It's all about us  
All about us  
Yeah only we know  
And only we know  
And only we know about us  
It's all about us  
All about us  
Yeah only we know  
And only we know  
And only we know about us  
It's all about us

All about us  
Yeah only we know  
And only we know  
And only we know about us  
It's all about us  
All about us  
(I don't wanna love  
I don't wanna love, yeah  
I keep it all inside  
Keep it all inside, yeah  
I don't wanna love  
I don't wanna love, yeah  
I keep it all inside  
Keep it all inside, yeah)
