Now what you see, I see the lack of justice
Got us disgusted

You don't even know, I'm so high right now
Look at the streets, what you see
Nan saramdeuri musiharyeoneun angmaga boiji
We're not born to be blue
We're just born from the blue
Look at the earth, what you see
Is it white, is it green, to me it is blue
I'm not born to be blue, I'm just born from the blue
We're not born to be blue, we're just born from the blue
