

You give me something so special
Rare kind of scents
Not kind of others have
Seoro meolliseo baraman bodaga
Eoneusaenga dagawa
Neon nae ape seoseo

Knockin' on me
Knockin' on me

So I said bye with short hug
Before you change my mind
Love never came right to me
Should I just let you in my door
Before I change my mind
Love never feel so right but you

You gave me something so special
Eojjeoda ireoke gakkawojyeonneunji
Neol bol ttaemyeon nal boneun geot gata
Eoneusae nae ane seumyeodeureowa tto

Knockin' on me
Knockin' on me

So I said bye with short hug
Before you change my mind
Love never came right to me
Should I just let you in my door
Before I change my mind
Love never feel so right but you

You just keep knocking on my door
You keep me hanging high
High enough to afraid of height
You make me expecting so much more
Not like the very last time I fell into love

You give me something so special
Rare kind of scents
Not kind of others have
