

Pink Campari

CODE KUNST

Take my time
Move my hands across the table, yeah
Side by side
And I wanna tell you, baby

And I know that we had some wine, now you're tipsy
But mood's just right, and you know what's on my mind
All that matters, yeah, yeah
Is what comes after, after

So, is it a crime?
'Cause I'm not sorry, Pink Campari
Is it a crime? (Yeah, yeah, yeah)
'Cause I'm not sorry, Pink Campari
Wanna make you mine, mine, mine, mine, mine
Mine, mine, mine, mine, mine
Wanna make you mine (Mine)
I wanna make you mine, mine, mine, mine, mine (Mine)
Mine, mine, mine, mine, mine
Mine, mine

Eye-to-eye
Now my dress is on the table
You got me feelin' on cloud nine
And I can't handle it

And I know that we had some wine, now you're tipsy
But the mood's just right, you can blame it on your smile
And all that whiskey, yeah, yeah
Are you with me? Yeah, yeah

So, is it a crime?
'Cause I'm not sorry, Pink Campari
Is it a crime? (Ooh, yeah)
'Cause I'm not sorry, Pink Campari
Wanna make you mine, mine, mine, mine, mine
Mine, mine, mine, mine, mine
Wanna make you mine (Mine)
I wanna make you mine, mine, mine, mine, mine (Mine)
Mine, mine, mine, mine, mine
Mine, mine

Ooh, yeah, ooh, ooh, ooh
Pink Campari, yeah, ooh, ooh, ooh, ooh

I'm not sorry (Not sorry)
Pink Campari (Blame it on, blame it on)
I'm not sorry (Not sorry)
Pink Campari (Blame it on, blame it on)
I'm not sorry (Not sorry)
Pink Campari (Blame it on, blame it on, ooh, yeah)
I'm not sorry (Not sorry)
Pink Campari (Blame it on, blame it on, ooh, yeah)

I'm not sorry
Oh, yeah, yeah
Wanna make you mine, mine, mine, mine

Mine, yeah
