

## Alert. Aware. Involved.

Code

The summer sun, sunsets the cityscape rise up  
All the kids in the hall come together put your fists up  
I&#138;l bring the mic if you bring the sound system  
We&#138;e got all night to get lost in the rhythm

The stage is set the dives a wreck  
5 dollars at the door and it feels so perfect  
Said all I know is that I don&#138;o know nothing  
We&#138;e got all night so there aint no sense in rushing

It&#138; time (HEY!) our time (HEY!)  
Our voice, our stage, our vision, our community  
Alright (HEY!) tonight (HEY!)  
The youth are waging war  
Don&#138;o you know we&#138;e gonna win this fight  
It&#138; time (HEY!) our time (HEY!)  
Our voice, our stage, our vision, our community  
Alright (HEY!) tonight (HEY!)  
Turn it up, turn it out, lets go!

This conscious flame burns so bright in our vision in our sight  
It illuminates, it radiates to rage against this dying light  
It&#138; in our veins pumping passion deep into our soul  
The missing link that finally made this puzzle whole

Oh now I know our visions clear  
We are the voice of revolution infecting all who hear  
See all we wanted was a place to call our own  
And a chance to speak our minds so we don&#138;o have to feel  
alone

(Chorus)

You&#138;e gotta stay alert,  
gotta stay aware,  
gotta stay involved,  
Alert, Aware, Involved (6x)

(Chorus)
