

## Tom

## Codeine

My words have broken throats  
Too ashamed to speak

Afflicted by disease  
They are so weak

I'll throw sand in your eye  
You need a reason to cry  
I'll throw sand in your eye  
I need a reason to smile

I went to school to learn  
But it didn't work

How do you learn to try  
Why can't I?

I'll throw sand in your eye  
You need a reason to cry  
I'll throw sand in your eye  
I need a reason to smile
