Where You lead me I will follow  
I don't have to be afraid  
For You are with me clothed in victory  
Bringing honor to Your name

And oh, I know, yes, I know  
That Your mercy follows me  
Oh, I know, yes, I know  
That Your goodness follows me  
Oh, I know, yes, I know  
That Your mercy follows me  
Oh, I know, yes, I know!

Your love, Your love, Your love  
Is a banner over me

If I'm found in darkest valleys  
You'll be there to set a feast  
At a table filled with laughter  
Toasting to Your victory

Oh, I know, yes, I know  
That Your mercy follows me  
Oh, I know, yes, I know  
That Your goodness follows me  
Oh, I know, yes, I know  
That Your mercy follows me  
Oh, I know, yes, I know!

Your love, Your love, Your love  
Is a banner over me  
Is a banner over me

At the cross  
My curse unwritten once for all  
My debt forgiven  
At the cross  
My curse unwritten once for all  
My debt forgiven  
At the cross  
My curse unwritten once for all  
My debt forgiven  
At the cross  
My curse unwritten once for all  
My debt forgiven

Your love, Your love, Your love  
Is a banner over me
