

## Bread & Wine

Cody Carnes

You're the bread and wine  
The single source of life  
Only You satisfy  
My everything

The well that won't run dry  
The ever-rising tide  
One drop and I'm revived  
My everything

All I need, all I need  
All I need is You, is You

The table's open now  
We belong, we're found  
You gave us Heaven's crown  
Of glory, of glory

All I need, all I need  
All I need is You, is You

Rise like the morning sun  
Set in this place with love  
Praise be Your welcome song  
Burn through the atmosphere  
Open the Heavens here  
Praise be Your welcome song  
Rise like the morning sun  
Set in this place with love  
Praise be Your welcome song  
Burn through the atmosphere  
Open the Heavens here  
Praise be Your welcome song

All I need, all I need  
All I need is You, is You
