

# Cast No Stones

Cody Jinks

I cast no stones  
I build no walls  
And I tell the truth  
The truth comes to call  
And I try to walk  
That narrow way  
Sometimes I go over the lines  
And I won't make it back till the next day

But I cast no stones  
What gives you the right?  
To tell me my business  
Good God man, you're out of your mind  
So put up your Bible  
Or let me get mine  
I'm not dragging the whole world to hell  
You're wasting my time

I don't talk with Jesus  
As much as I should  
I don't read that good book  
Everyday like I could  
But I like to stop  
At the end of the day  
I pray that I hurt nobody  
And somebody new found their way

But I cast no stones  
What gives you the right?  
To tell me my business  
Good God man, you're out of your mind  
So put up your Bible  
Or let me get mine  
I'm not dragging the whole world to hell  
You're wasting my time

But I cast no stones  
What gives you the right?  
To tell me my business  
Good God man, you're out of your mind  
So put up your Bible  
Or let me get mine  
I'm not dragging the whole world to hell  
You're wasting my time

Say a prayer for me brother  
And I'll see you on down the line
