

# Heavy Load

Cody Jinks

I can't think of one damn thing to say  
Stuck where I'm going  
Stuck in a lot of ways

Tell me it still matters  
In a world in vain  
Pissing in the wind  
Screaming about the same old things

Time stands still every now and then  
Then it's gone  
Wondering what you did  
Wondering what you did all wrong

Hindsight's 20/20 when you're  
Looking back  
Looking out ahead  
All I see is black

The train jumped track some time ago  
You can't root that heavy load  
It's all downhill from now  
And sure we paid the toll  
Train jumped track some time ago

The train jumped track some time ago  
You can't root that heavy load  
It's all downhill from now  
And be sure we paid the toll  
The train jumped track some time ago

I heard the voice of the fourth beast say  
Come and see  
And I looked and behold a pale horse  
And his name that sat on him was Death  
And Hell followed with him

The train jumped track some time ago  
You can't root that heavy load  
It's all downhill from now  
And be sure we paid the toll  
The train jumped track some time ago

It's all downhill from now  
Forever paying that toll  
The train jumped track some time ago
