

# I Would

Cody Jinks

If you take me and say, "I'll make you mine"  
If you'd give me your time  
Right or wrong, I'm buying  
I would  
When you walk by, you know you catch my eye  
My face, a thin disguise  
That shows the reasons why  
I would  
Yeah

If you asked me if I could stay the night  
Until the morning light  
If that's what's on your mind  
I would  
If you asked me if I'd give you my life  
Until the end of time  
If that's what's on your mind

I would, I would  
Walk through fire to shield you from the flame  
I would, I would  
Be the hand you reach for in the rain  
Through the trials, through the triumph  
Through the bad, and through the good  
If I could, I would

I would, I would  
Walk through fire to shield you from the flame  
I would, I would  
Be the hand you reach for in the rain  
Through the trials, through the triumph  
Through the bad, and through the good  
If I could, I would

If I could, I would
