

# Somewhere Between I Love You and I'm Leavin'

Cody Jinks

I'm somewhere between "I love you" and "I'm leavin'"  
Somewhere between "I need you" and lettin' go  
And it scares me so when I look hard I find no good reasons  
I'm somewhere between "I love you" and "I'm leavin'"

Somewhere between "I miss you" and "I'm gone"  
Runnin' hard through the middle of the night, and you spend your  
rs alone  
I hold you close then I let you go, no leavin' well-  
enough alone  
I'm somewhere between "I miss you" and "I'm gone"

And the ties that bind, they hold my mind  
No matter where I go, I'm alone  
Here with you or out there tearin' down some road  
Nowhere is home  
And you're the only thing on Earth that I believe in  
I'm somewhere between "I love you" and "I'm leavin'"

And the ties that bind, they hold my mind  
No matter where I go, I'm alone  
Here with you or out there tearin' down some road  
Nowhere is home  
And you're the only thing on Earth that I believe in  
I can stay or I can go and not break even  
I'm somewhere between "I love you" and "I'm leavin'"  
I'm somewhere between "I love you" and "I'm leavin'"
