

Take This Bottle

Cody Jinks

I can wait to love in Heaven
I can wait for you
Far away, I'll treat you better
Better than down here

'Cause I've done wrong
And I'm a little afraid
I ain't too strong
This ain't easy to say

Take this bottle
Take this bottle
And just walk away, the both of you
And let me feel the pain I've done to you

I can hope we'll be together
With a better roof over our heads
I can hope the stormy weather
It passes on, it passes on

But I've hoped too long
Hoped for you to change
And that hope is gone
So listen what I say

Take this bottle
Take this bottle
And just walk away, the both of you
And let me feel the pain I've done to you

'Cause I've done wrong
And I'm a little afraid
And I've hoped too long
I hoped for you to change

Take this bottle
Take this bottle
And just walk away, the both of you
And let me feel the pain I've done to you

I can wait to love in Heaven
I can wait for you
And I can wait to love in Heaven
I can wait for you
