

Seeing The Light

Cody Johnson

I've been wide awake one too many nights with you
And I've lied one too many times tryin' to hide the truth
'Cause as many times as you've broke me down you'd think I'd le
arn
And as high as we've ever been, well it's damn sure not worth t
he hurt

Now I'm through bein' wrapped up in you
There's too many days not seein' the sun sittin' alone in my ro
om
And I'm tired of what you can't do for me as many times as we've
e tried
I once was addicted to you baby, but now I'm seein', I'm finall
y seein' the light

Friends have turned away, some drew closer to me
They've all got somethin' to say, everything they think I need
I guess if it wasn't for you, I wouldn't know who'd still be he
re at the end
You made me feel things I've never felt, but you showed me wher
e I'll never wind up again

Now I'm through bein' wrapped up in you
There's too many days not seein' the sun sittin' alone in my ro
om
And I'm tired of what you can't do for me as many times as we've
e tried
I once was addicted to you baby, but now I'm seein', I'm finall
y seein' the light

'Cause you're up and you're down, there's no middle ground here
anymore
Here tonight, deep inside, I know that I've never been so sure
And I'll never get where I'm goin' if I don't lay you down and
walk out the door

Oh and I'm tired of what you can't do for me as many times as w
e've tried
I once was addicted to you baby, but now I'm seein', I'm finall
y seein'
You know I'm seein' the light

I've been wide awake one too many nights with you
