Better Be Mine

Cody Simpson

Yeah I know it's a mistake girl
'Cause every heart you're gonna break girl
But it don't matter what they say
I'm a do it anyway
'Cause baby you're my whole world

And if you wanna fight girl
I say wrong is the new right girl
'Cause you know we can make the rules
Anything you wanna do, do

If you wanna love
If you wanna leave
If you're gonna trip, fall in love with me
If you wanna fight
If you wanna scream
If you're gonna yell, you're gonna yell at me
Don't let those lips, those fingertips
Ever touch another guy
'Cause if you're gonna
Break, break, break
Somebody's heart
It better be mine
It better be mine
It better be mine

Yeah I know what you're thinking
That girl's got me tripping
Still no matter what you do
Both my feet up to through the roof
'Til my heart starts sinking

So tell me what you want girl
And I'm a make it what you got girl
Ain't much that I can do
But I do it all for you
Yeah

If you wanna love
If you wanna leave
If you're gonna trip, fall in love with me
If you wanna fight
If you wanna scream
If you're gonna yell, you're gonna yell at me
Don't let those lips, those fingertips
Ever touch another guy
'Cause if you're gonna
Break, break, break
Somebody's heart
It better be mine
It better be mine
It better be mine

Yeah I know it's a mistake girl
'Cause every heart you're gonna break girl
But it don't matter what they say
I'm a do it anyway

If you wanna love
If you wanna leave
If you're gonna trip, fall in love with me
If you wanna fight
If you wanna scream
If you're gonna yell, you're gonna yell at me
Don't let those lips, those fingertips
Ever touch another guy
'Cause if you're gonna
Break, break, break
Somebody's heart
It better be mine
It better be mine
It better be mine

Don't let those lips, those fingertips
Ever touch another guy
'Cause if you're gonna
Break, break, break
Somebody's heart
It better be mine
