I said last time was the last time that I messed up again
Am I addicted to losing?
Promised I wouldn't lie but I went and lied
Girl I fucked up again
Am I stupid or something?

'Cause your love is all I know
It's all I know
And your heart is all I want
I won't let go

I don't wanna lose you girl
Not now not never
I ain't trying to lose you girl
So let's stay together

That time was a past time, can we try love again?
'Cause I miss you so bad
I don't wanna move on, sing a new song
I won't do you wrong again
If you give me just one chance

'Cause your love is all I know
It's all I know
And your heart is all I want
I won't let go

I don't wanna lose you girl
Not now not never
I ain't trying to lose you girl
So let's stay together
Together
