Cody Simpson

I know I made a few mistakes  
I promised I would keep it safe  
But if my words you carry with  
Believe me when I say I'm gonna

Patch up the holes  
And sift out the water  
Stitch up the sails and  
Keep moving forward  
I know, I know we're  
Still close to shore  
But it's too soon to turn back  
Trust me and keep your

Eyes  
On the horizon  
Just keep your eyes on  
Just keep your  
Eyes  
On the horizon  
Just keep your eyes on the horizon

I'm still the man I used to be  
I swear if you give me time  
I'll scar my hands repairing dreams  
Just let me try

I'll patch up the holes  
And sift out the water  
Stitch up the sails and  
Keep moving forward  
I know, I know we're  
Still close to shore  
But it's too soon to turn back  
Trust me and keep your

Eyes  
On the horizon  
Just keep your eyes on  
Just keep your  
Eyes  
On the horizon  
Just keep your eyes on the horizon

Hey I was stupid, I was young  
That's why you gave up on me  
You've always been the only one  
So I kept my

Eyes  
On the horizon  
I kept my eyes on the horizon  
Just keep your eyes on the horizon

Keep your eyes on the horizon
