

# No Ceiling

Cody Simpson

I like this right here  
Yeah

Bang bang bang  
Is the sound of my tools  
You've got me taking down my roof  
'Cause there ain't no limit on the heights we can go  
When it comes to me and you

See you hit me where it hurts now  
Got me where it hurts now  
Never felt like this before  
See it's a brand new thing  
So no more thinking  
Never ever felt so sure

When I'm away  
No I can't concentrate  
Thinking 'bout you non-stop  
On my mind all day  
Said to myself that I feel so lucky  
I met someone who made me say

I see there ain't no ceiling  
On the way that you got me feeling  
And every night we're in the moonlight dreaming  
That we can go all the way  
This love could reach the sky

Bang bang bang  
Is the sound of my heart  
Every time I look at you  
And it's bang bang bang  
The sound of your heart  
When you're looking at me too?

And when the love truth hits  
No you feel no pain  
Nothing's gonna be the same  
See it's a brand new thing  
So no more thinking  
Cupid's gonna take an aim

When I'm away  
No I can't concentrate  
Thinking 'bout you non-stop  
On my mind all day  
Said to myself that I feel so lucky  
I met someone who made me say:

I see there ain't no ceiling  
On the way that you got me feeling  
And every night we're in the moonlight dreaming  
That we can go all the way  
This love could reach the sky

Don't ever keep it baby

Don't ever keep it inside  
Tell me what I'm doing wrong  
If it's wrong, tell me how do I make it right

Rip the lid off life  
Let's rip the lid off love

I see there ain't no ceiling  
On the way that you got me feeling  
And every night we're in the moonlight dreaming  
That we can go all the way  
This love could reach the sky
