On My Mind

Cody Simpson

I'm sleeping through the day
I'm trying not to fade
But every single night
I've just been lying awake
Cause I, I can't get you off my mind

The moment that we met, I didn't know yet
That I was looking at a face I'll never forget
Cause I, I can't get you off my mind

I can't get you off my mind
Give me the chance to love you
I'll tell you the only reason why
Cause you are on my mind
I want to know you feel it
What do you see when you close your eyes
Cause you are on my mind

I want to be best
I want to be worst
I want to be the gravity in your universe in Mars
I want to be there to help you fly
(I'll help you fly girl)

Oh, the longer that I wait
The more that I'm afraid
That someone's gonna fool your heart and take you away
Cause I, I finally realized,
That I can't get you off my mind

Give me the chance to love you
I'll tell you the only reason why
Cause you are on my mind
I want to know you feel it
What do you see when you close your eyes
Cause you are on my mind

Girl I can't live without you
I can't think straight without you, now
So tell me what should I do
If I can't get you off my mind

Give me the chance to love you
I'll tell you the only reason why
Cause you are on my mind

I gotta know you feel it
What do you see when you close your eyes
Cause you are on my mind
You're on my mind
You're on my mind all day and night, oh
Cause you are on my mind
