

Rainy Day

Cody Simpson

The weather man's calling for rain today
So I thought we might sit by the window
While I play you a love song
Don't mind the lightning and thunder
Just sit close to me under my arm
I'll hold the chords while you strum along

And we'll be safe from harm
You and me together
For a couple of hours
Just watching the weather fall
Outside the window

This storm could be so beautiful
These clouds could be sunshine
If this heart of mine was yours
And yours was mine
This rainy day would be just fine
This rainy day would be just fine

There's nobody here except you and me
And the gently swaying trees
With leaves of glistening green
What's so wrong with being happy?
I've got a grey sky when I got you girl
By my side

And we'll be safe from harm
You and me together
For a couple of hours
Just watching the weather fall
Outside the window

This storm could be so beautiful
These clouds could be sunshine
If this heart of mine was yours
And yours was mine
This rainy day would be just fine

Come rain
Come shine
Come on girl I've made up my mind
You're the one turning these grey skies into sunshine
When I look at you and see that little smile

This storm could be so beautiful
These clouds could be sunshine
If this heart of mine was yours
And yours was mine
This rainy day would be just fine

This storm could be so beautiful
These clouds could be sunshine
If this heart of mine was yours
And yours was mine
This rainy day would be just fine
This rainy day would be just fine

This rainy day would be just fine
This rainy day would be just fine
