

# Ramona

Cody Simpson

Everybody know what I'm talking bout  
Get out the jam soon as the sun come out  
Imma say I should get a job one day  
I won't have it any other way

Ramona, Ramona  
Meet me on the other side babe  
Down by the water  
With the birds they sing your name

Somebody put a guitar in my hands  
Cause Imma play all day 'til the sunshine ends  
Cut on my hands cause I play too hard  
I'd go to the doctor but I don't have a car

Ramona, Ramona  
Put your hands to the sun  
I know you wanna  
Wave them around to everyone

Cause love is such a good thing going round when it's given to you  
You could look at the horizon like we have a clue  
When every single damn person saying we're too young  
Put your hands to the sun, Ramona, put your hands to the sun

Hey yeah

Ramona, Ramona, won't you play on my roof?  
We'll get to the kingdom once we find the truth  
When every single damn person saying we're too young  
Put your hands to the sun, Ramona, put your hands to the sun, baby

Baby

Put your hands to the sun  
Put your hands on me  
Darling, the way you're putting your hands  
Put your hands  
Show me the way you're putting your hands  
Put your hands on me  
Put your hands  
Put your hands on me
