

# So Listen

Cody Simpson

I've been trying to find the right words  
But they always seem to hit the page wro-o-o-wrong  
You see I tend to fight words  
You breathe 'em into life, and they're gone  
I need some louder speaking actions  
They do what letters could never do-o-o-o-o  
You see, you are my addiction  
I need more than words to show you

So listen  
To-to-to-to me, so listen,  
Li-li-li-listen to my heartbeat

I'd like to think you understand me  
But I never really like to assume  
So you never have to ask me  
Imma let my actions tell you the tru-hu-huth

For you-hu-hu-hu  
There is nothing I wouldn't go through-hu-hu-hu  
And if you need some proo-oo-oo-oof  
You can find it in what I do-oo-oo-oo

Listen to me baby  
And I could tell you everyday  
Just how much I want you  
I-I-I-I I've never been good with words  
But I went and wrote this song for you

So listen, to-to-to-to me, so listen  
Listen to my heartbeat  
So listen, (Hey) to-to-to-to me (to me), so listen (Yeah, yeah)  
Listen to my heartbeat

Ba-ba-  
baby I need you to listen, (listen) open up your ears (open up your ears)  
Pay attention, (tention) let go of your fears  
I'm not trying to be that dude that got these people in your business (busin  
ess)  
I'm just trying to love you, (love you) can I get a witness? oh  
Le le le le le let the church say amen! (amen)  
Cause I know that you need a man! (a man)  
And I'm gon' do whatever I can  
So stop with all the dissin'  
Get to the kissin'  
Baby you know what you missin'!

So listen to-to-to-to me, (to me oh) so listen  
Listen to my heartbeat (le-le-le-listen to my heartbeat)  
So listen (listen) to-to-to-to me, (to me) so listen (oh)  
Listen to my heartbeat (listen to my heartbeat)  
Listen to my heartbeat  
Listen to my heartbeat
