

Summer Evening

Cody Simpson

Summer evening
Some kind of grand affair
Wasn't easy
Leaving you on the marble stairs
Now I don't know
If I'll ever again be who I was then
And as I walked home
You were already dancing inside in my head

So hold on don't let me fall too far
I'm hoping this won't pull me apart
'Cause you wanted time
And you wanted truth
But I wanted you
So hold on don't let me fall too far

So if I'm going to be honest
Then don't me no lies
'Cause I been out here the longest
For the longest of times

But I'm down to wait
I'm down to wait 'til I give up the ghost
And everything breaks
While we fill our glasses and raise a toast

So hold on don't let me fall too far
I'm hoping this won't pull me apart
'Cause you wanted time
And you wanted truth
But I wanted you
So hold on don't let me fall too far

It was a summer evening
Some kind of grand affair
