She caught up in that new California love  
I'm the kid from out of town, try to get me some  
I ask her how her night's been  
She says let's go for a night swim  
And you know what she meant

So come on  
Let the ocean take us away  
'Til we see the daylight  
Come  
And I know that it's getting late  
But we wanna stay

She on my surfboard  
She on my surfboard  
She on my surfboard  
She on my surfboard  
Go ride it, surfboard

Surfboard

We woke up on the beach down in Mexico  
She asked me how we got here  
And I don't know  
We got back in the water  
The waves were crashing on her  
And you know how it goes

So come on  
Let the ocean take us away  
'Til we see the daylight  
Come  
And I know that it's getting late  
But we wanna stay

She on my surfboard  
She on my surfboard  
She on my surfboard  
She on my surfboard  
Go ride it, surfboard

Surfboard

Summer lust  
On a summer dusk  
She told 'em girls can't surf with us  
Surf with us, can't surf with us  
Salt's on her skin  
Let me wanting more on the shore  
Lo-love beach boys like 64, 64  
Go ride on my  
Surfboard

She on my surfboard  
She on my surfboard  
She on my surfboard  
Go ride it, surfboard

Go ride it
