

Waiting For The Tide

Cody Simpson

Everybody's waiting
For the moment to arrive
I will clear my vision
See the water on the rise

The wave is beginning
Will we make it out alive?
Feet are stuck in quicksand
And we're running out of time

I'm just out here waiting for the tide
Come on
Yeah, yeah, yeah, yeah, yeah, yeah
Come on
Oh yeah, yeah, yeah, yeah, yeah, yeah

I say, point your guns at people
pointing theirs down at the ground
There's no revelation
Without the silence of the sound
All your meditations
Like a diver heading down
Down into the kingdom
Where nobody wears the crown

Can't you see the water's on the rise?
I'm just out here waiting for the tide
Come on
Yeah, yeah, yeah, yeah, yeah, yeah
Come on
Oh yeah, yeah, yeah, yeah, yeah, yeah

I'm just out here sitting, now they're waiting for the tide
I'm just out here sitting, now they're waiting for the tide
Can't you see, can't you see the water on the rise?
Waiting for the tide, waiting for the...

I'm just out here sitting, now they're waiting for the tide
I'm just out here sitting, now they're waiting for the tide
Can't you see, can't you see the water on the rise?
Waiting for the tide, waiting for the...

I'm just out here sitting, now they're waiting for the tide
I'm just out here sitting, now they're waiting for the tide
Can't you see, can't you see the water on the rise
Waiting for the tide, waiting for the...

You're waiting for
