

Way Way

Cody Simpson

Way, way, way, way, way, way, way, way
Way, way, way, way, way, way, way, way

She's a little like sand
Slipping out of my hands
She's a little like a song
But I got no stage to stand on
I'll never be her man
But some things are better that way, way
Yeah, some things are better off like that
She said, yeah

I gotta go my own way
I gotta find a new wave, yeah
Baby, it's a new day
I gotta, gotta go my own way, yeah
Way, way, way, way, way, way, way, way
Way, way, way, way, way, way, way, way
Way, way, way, way, way, way, way, way
Way, way, way, way, way, way, way, way

She's a little like gold
Can't see her shine 'til the light is on her
I think God missed the boat
Take me back when we were younger
She's a little like a diamond
I just pick my islands
And she's stolen it away, way, way
She's gone, she said

I gotta go my own way
I gotta find a new wave, yeah
Baby, it's a new day
I gotta, gotta go my own way, yeah
Way, way, way, way, way, way, way, way
Way, way, way, way, way, way, way, way
Way, way, way, way, way, way, way, way
Way, way, way, way, way, way, way, way
Way, way, way, way, way, way, way, way
Way, way, way, way, way, way, way, way
Way, way, way, way, way, way, way, way
Way, way, way, way, way, way, way, way

Oh, woah, no
I said I'll never be her man
Some things are better that way, way
Yeah, some things are better off like that
She said, yeah

I gotta go my own way (I gotta go my own)
I gotta find a new wave, yeah (My own way)
Baby, it's a new day (Yeah, yeah)
I gotta, gotta go my own way, yeah (Yeah, yeah)
Way, way, way, way, way, way, way, way (Way, way)
Way, way, way, way, way, way, way, way
Way, way, way, way, way, way, way, way (Come on)
Way, way, way, way, way, way, way, way
