

4th Of July Song

Coffey Anderson

Small town parades
Fireworks up high
#1 on earth
We don't run or hide

Let freedom Ring
Old Glory will fly
Happy birthday U.S.A.
On the 4th of July
Light them up

The grills looking hot
The drinks ice cold
The American way
It never gets old

Let freedom Ring
Old Glory will Fly
Happy birthday U.S.A.
On the 4th of July
Light them up

With red white and blue
Light up the sky
One nation under God
Standing side by side

Let freedom Ring
Old Glory will Fly
Happy birthday usa
On the 4th of July
Light them up
Let freedom Ring
Old Glory will Fly
Happy birthday usa
On the 4th of July
Light them up

Ooh ohh
Light them up yeah
Ooh ooh
Ooh ooh
