

Blue Suede Boots

Coffey Anderson

I'm lookin' at you, you're lookin' at me
Just give me the time, see where it leads
Mama, won't you get close to me
And be my dirt-road dancin' queen
Whatever you want, I'll take you with me
You wanna ride, hop in the seat
Baby girl, you got me all shook up
Like a rusted-out pickup truck

You can hold me tight
And keep me warm at night
And you can love me right

But, baby, don't step on my blue suede boots
Don't give me, don't give me, don't give me
Don't give me those blue suede blues
Don't tell me, don't tell me, don't tell me
Don't tell me those lies, baby
Hold me tonight, lady
Dance the night away
But don't step on my blue suede boots

Uh
The night is young, they're playin' my song
I'm pullin' you close and now it's on
Baby girl, you got me all shook up
Like a rusted-out pickup truck

You can hold me tight
And keep me warm at night
And you can love me right

But, baby, don't step on my blue suede boots
Don't give me, don't give me, don't give me
Don't give me those blue suede blues
Don't tell me, don't tell me, don't tell me
Don't tell me those lies, baby
Hold me tonight, lady
Dance the night away
But don't step on my blue suede boots

Tease me, please me
But don't step on my 'Cheses
Tease me, squeeze me
But, baby, take it easy
Tease me, please me
But don't step on my 'Cheses
Tease me, squeeze me

But don't step on my blue suede boots
Don't give me, don't give me, don't give me
Don't give me those blue suede blues
Don't tell me, don't tell me, don't tell me
Don't tell me those lies, baby
Hold me tonight, lady
Dance the night away
But don't step on my blue suede boots

Don't give me, don't give me, don't give me
Don't give me those blue suede blues
Don't tell me, don't tell me, don't tell me
Don't tell me those lies, baby
Hold me tonight, lady
Dance the night away
But don't step on my blue suede boots

Uh
