

I Could Sing Of Your Love Forever

Coffey Anderson

Over the mountain and the seas
Your river runs with life for me
And I will open up my heart
Over the mountain and the seas
Your river runs with life for me
And I will open up my heart
And let the healer set me free
I'm happy to be in the truth
And I will daily let me hands
For I will always sing of
When your love came down

I could sing of your love forever
I could sing of your love forever
I could sing of your love forever
I could sing of your love forever

Over the mountain and the seas
Your river runs with life for me
And I will open up my heart
And let the healer set me free
I'm happy to be in the truth
And I will daily let me hands
For I will always sing of
When your love came down

I could sing of your love forever
I could sing of your love forever
I could sing of your love forever
I could sing of your love forever

I have been to the palace
And slept in the slums
Ate with the king
And broke bread with the bums
I've been an A-student
And I've been the class clown
Stood up in victory
And then I got knocked down
I tightened up my straps
I cut out the slack
I'm running for the lord
With the wind at my back
He broke all the chains
Unlocked every door
So let the redeemer of the lord say so
I could sing

I could sing of your love forever
I could sing of your love forever
And oh I feel like dancing
It's foolishness I know
But when the world have seen the light
They will dance with joy
Like I'm dancing now

I could sing of your love forever

I could sing of your love forever
I could sing of your love forever
I could sing of your love forever

Hallelujah Jesus
