

# Po Dunk Party

Coffey Anderson

It's a po dunk party

Let's get it started  
Hillbilly party  
Get your boots on, dance along into the night  
I know how to make this right (yeah)

At the rodeo show (it's a po dunk party)  
Yippy ki yay yo (Yippy ki yay yo)  
Giddy up, get your boots on  
Truck in gear  
It's the po dunk party of the year

Come, take my hand, let's go to the floor  
Dusty boots that heel and toe  
Pick it up, drop it down  
Bring it on up, you wear the crown

Buckle bunny that came to party  
I showed up late and she got it started  
I don't even know whose truck to take  
You got them curves and I got no brakes
