

# You Were Made For Me

Coffey Anderson

I believe that I was sent here just to love you  
Put on Earth so I could be your man  
With the ground below and the good Lord high above us  
Got the world and my heart within your hands

You were made for me  
Like when the rain, it falls into the sea  
Carve our names' initials with a heart on a tree  
'Cause I was born to love you, you were made for me

Well, the verdict's in from the judge and from the jury  
I'm guilty of loving you in the third degree  
I hope that you give me life and no chance of parole  
I love your mind, your body and your soul

You were made for me  
Like when the rain, it falls into the sea  
We'll carve our names' initials with a heart on a tree  
'Cause I was born to love you, you were made for me

Your hands, they fit in mine  
And how much you care, I can see it in your eyes

'Cause you were made for me  
Like when the rain, it falls into the sea  
Carve our names' initials with a heart on a tree  
'Cause I was born to love you, you were made for me  
'Cause I was born to love you, you were made for me

Mmm, you were made for me
