

Do Better

Coi Leray

Ay, oh (Ayy)

Coi Leray, you know my name

Took a little bit of time, now we run it up, money so righteous
Whole team got a bag, yeah, they so mad, niggas don't like us
And every time I hit a mall, I'ma buy it all, don't check no prices
All my niggas really with it, how they come and shoot shit up like ISIS

Gotta make sure I do better
Make sure my next move better
Make sure my team do better
That's my brother, right or wrong

Ain't none of us went to college
But we got racks in our pockets
Yeah, goofy-ass niggas can't stop us
Yeah, bitch, we hot like lava
Big bae always right beside me
In case a bitch come try it
Don't care if you don't like me
Yeah, bitch, I'm life of the party, ayy
Turned up and I'm cocky
Yeah, these bitches can't stop me

Took a little bit of time, now we run it up, money so righteous
Whole team got a bag, yeah, they so mad, niggas don't like us
And every time I hit a mall, I'ma buy it all, don't check no prices
All my niggas really with it, how they come and shoot shit up like ISIS

Gotta make sure I do better
Make sure my next move better
Make sure my team do better
That's my brother, right or wrong
Gotta make sure I do better
Make sure my next move better
Make sure my team do better
Do better, do better, yeah

Loyalty, loyalty, it go a long way
Fuck an opinion, fuck what they all say
Can't deal with the fake shit, it rub me the wrong way
Here for the gang and that's always
I'm runnin' as soon as you call me
Now we all ballin', we pull up and hop out of foreigners
Foot on the gas, no type of stallin'
Now we all over the map, when we tourin'
And I got a big clip, it's enormous
And my money go 'round like an orbit
Got my foot on they necks, I'm on 'em
Got my foot on they necks, I'm on 'em

Took a little bit of time, now we run it up, money so righteous
Whole team got a bag, yeah, they so mad, niggas don't like us
And every time I hit a mall, I'ma buy it all, don't check no prices
All my niggas really with it, how they come and shoot shit up like ISIS

Gotta make sure I do better

Make sure my next move better
Make sure my team do better
That's my brother, right or wrong
Gotta make sure I do better
Make sure my next move better
Make sure my team do better
Do better, do better, yeah
