

## GI Joe

Coi Leray

I keep an FN for my safety  
Gotta watch out for niggas who hating  
They just want the information  
Wanna know my situation  
42 shots, no chaser  
Hop in the foreign, we racing  
It's just me and the bro at the table  
Having money conversations (Yeah, yeah, let's go)  
Had to tell my bitches we don't fuck niggas if they told (Uh, uh)  
Throwing dirt on my name, bitch, I hope you choke (Lil' bitch)  
I just had to dump my new nigga, shit got old (Yeah)  
And all my niggas got guns like GI Joe  
Gotta keep it tucked underneath the Gucci coat (Gucci, Gucci, Gucci coat, brr)  
I keep an FN for my safety  
Gotta watch out for niggas who hating  
They just want the information  
Wanna know my situation  
42 shots, no chaser  
Hop in the foreign, we racing
