

Good Day

Coi Leray

Mmm, today gon' be a good day
Yeah, today gon' be a good day
Today gon' be a good day, huh

Today gon' be a good day, today gon' be a good day
I'ma wake up and I'ma get paid
I'ma turn up 'cause my rent paid, yeah
Today gon' be a good day, today gon' be a good day
I'ma wake up and I'ma get paid
I'ma turn up 'cause my rent paid

Yeah, I got work in the morning
But see, I don't wanna really go
I just wanna rock to the radio, yeah
Smoke in the air, we just let it blow
I just set my alarm and after tonight, it is K.O
Yeah, I'm with my girl, she already know
Yeah, we turned up, we wildin' like J-Lo
Middle finger up to the bullshit
I like to party and I like to chill
I don't have time to love, I'm just keepin' it real
I'm just living my life, so it's fuck how you feel
See, that negative energy fuck up my vibe
Yeah, all that bullshit, yeah, that's not what I like
Now give me a drink, I'ma party all night
Baby, hold on, you know you'll be alright

Today gon' be a good day, today gon' be a good day
I'ma wake up and I'ma get paid
I'ma turn up 'cause my rent paid, yeah
Today gon' be a good day, today gon' be a good day
I'ma wake up and I'ma get paid
I'ma turn up 'cause my rent paid
Today gon' be a good day, today gon' be a good day
I'ma wake up and I'ma get paid
I'ma turn up 'cause my rent paid, yeah
Today gon' be a good day, today gon' be a good day
I'ma wake up and I'ma get paid
I'ma turn up 'cause my rent paid
