Buy it, use it, break it, fix it, crash it, change it, fax, rename it  
Touch it, bring it, babe, watch it, turn it, leave it, fuck it, fuck it

This brand-new foreign I'm pushing in  
This all black coupe I'm sitting in  
Brand new Bottega I'm fitting in  
I ain't calling you back, I got rid of him  
I can't fuck with a minute man  
All white Dior I'm kicking in  
This ice, it got me shivering  
Bitches wanna be like me, they twinning, aye

He loving the way that I'm throwing it back  
He tell me to do it again  
He falling in love with this pussy  
I'm falling in love with the way that he spend  
Hope you got an appetite  
Eat it like some apple pie  
And if you do it right, then I might  
Let you, let you, let you

Fuck it, feel it, zip, unzip it, fuck it, feel it, zip, unzip it  
Rip it, snap it, work it, babe, fuck it, feel it, zip, unzip it  
Fuck it, feel it, zip, unzip it, fuck it, feel it, zip, unzip it  
You do it right, then I might let you, let you, let you

Suck it wet, it's candy coated  
Watch me bust this shit wide open  
Up and down like roller-coaster  
Dripping wet, that super soaker  
And he texted me, said he coming over  
Gone come fuck up my makeover  
Tippy toes, bend me over  
Uh, put it in motion

He loving the way that I'm throwing it back  
He tell me to do it again  
He falling in love with this pussy  
I'm falling in love with the way that he spend  
Hope you got an appetite  
Eat it like some apple pie  
And if you do it right, then I might  
Let you, let you, let you (Nigga)
