With an S on my chest 'cause I'm a super woman, bitch, let's get it

Baby, stay focused, uh, yeah
A bitch is on top and they know this (Yeah, a bitch is, let's go)
Money ain't folding, uh (Yeah)
Hop in the Porsche, would've thought it was stolen
Ice neck, wrist ocean
Dryer, fold, niggas scolded
We go up in this bitch and get lit like a stove
Call me up but just don't drop it on my Rick Owens

Still a couple niggas that owe me (Pay up)
Ran it up and did it by my lonely (Ran it up and did it, ho)
Diamonds dripping wet like a floaty (Drip like, drip like)

Still a couple niggas that owe me (Still owe me, yeah)
Ran it up and did it by my lonely (By my lonely, yeah)
Diamonds dripping wet like a floaty
