

## Slide

Coi Leray

Only throw it back for the real one  
He don't fuck with the fake he want a real one  
Red underneath the shoes yea the heel ones  
I just got me some new  
Yea, Balenciaga hoodie yea the teal one  
You already knew what the deal was  
Baby got them soft lips tryna feel some  
I'll make your dreams come true

Slide, I know your so lonely just come to my side  
We could talk or fuck just let me make you mine  
Big bags baguettes put me in some number 9  
Boy we could be so perfect  
I promise that I'm worth it, aye

Yea, we started off as friends  
Then we did it in the benz  
Had me Curlin up my toes  
We just riding through the wave  
So deep in, boy you got me open  
Stay focused  
Give that boy a whiplash, we dive in it it's like ocean  
As long as you know this

Only throw it back for the real one

Feel like the real one  
You just gotta take your time with a real one  
I'm just hoping you can ride for a real one  
How I know you found love with a real one  
You cryin cause your heart heavy  
Introduce you to the real you was so ready  
On the outside looking in, everything pretty  
We rolling like a stolen benz wit no speed limit  
I wanted to see you doing better now I see you winning  
I bought you the Balencie sweater love the way its fitting  
You got that top up blow the ceiling its very addictive  
Young Gunna wanna heal give you that sexual healing  
Like an ocean when I'm in it  
Eyes rolling slow motion when I hit it  
Fucking on the balcony see the whole city  
Owner of the company worth a couple million
