

## Things Change

Coi Leray

I know I told you that I love you but it wasn't real  
I just be in the moment speakin' on the way I feel  
But things change, new day, new nigga, new wave  
I know I told you that I love you but it wasn't real  
I just be in the moment speakin' on the way I feel  
But things change, new day, new nigga, new wave

I gotta problem tellin' niggas that I love you  
But I don't love you goofy niggas I don't trust you  
Damn, had the nerve to hit my line say can I bum through  
No I don't wanna hang, get your mind straight  
Hit my line correct before you come my way  
I hate a nigga that don't wanna give me my space  
That's why you gotta go, you gotta hit the door  
And don't you come back, your sex game wack

I know I told you that I love you but it wasn't real  
I just be in the moment speakin' on the way I feel  
But things change, new day, new nigga, new wave  
I know I told you that I love you but it wasn't real  
I just be in the moment speakin' on the way I feel  
But things change, new day, new nigga, new wave

I had to fall back I ain't wanna lead that dude on  
Biggest lie they say is I will never do you wrong  
He got a girl that's why I don't get involved  
I got another dude, I don't got time for you  
Got right back in my bag yeah I got in my groove  
I only text back depending on my mood  
I had to curve your lame ass to the left  
No I do not like so please don't hit my jack

I know I told you that I love you but it wasn't real  
I just be in the moment speakin' on the way I feel  
But things change, new day, new nigga, new wave  
I know I told you that I love you but it wasn't real  
I just be in the moment speakin' on the way I feel  
But things change, new day, new nigga, new wave
