

Looking upon it with a sense of dread  
Facing it with a sense of dread  
Gazing upon it with a sense of dread  
Looking upon it with a sense of dread  
Facing it with a sense of dread

Larks, carrion crows, ortolans  
Turkeys, peacocks, guinea-fowl  
Robin, redbreast, thrushes, swans  
Edible birds uttering horrible cries

Nocturnal birds; boiled owls  
Edible birds uttering horrible cries

Could you even swallow a boiled owl?

Looking upon it with a sense of dread  
Gazing upon it with a sense of dread  
Looking right upon it with a sense of dread
