

This is the dark age of love

- And you better get me some LSD. Hurry then!
- I'll get... I'll get you some LSD.
(repeated)

From the film The Wizard of Gore:

- What is real?
- Are you certain you know what reality is?
- As it really is! (repeated)
- How do you know that in this second, you aren't asleep in your bed, dreaming that you are here in this theatre?
- All your life, your past, your rules of what can or cannot be
: it all was part of one long dream from which you are about to
awaken and discover the world - as it really is! (repeated)
