Coin

He was born the fall of '58  
Made a fortune selling real estate  
Golden lions waited at the gate  
He was lonely, but it all looked great

Never made time for the family  
But he is the richest man in the cemetery  
Only made time for the company  
But he is the richest man in the cemetery  
He is the richest man in the cemetery  
But he is the richest man in the cemetery

Cut from diamonds, but he came from dust  
Built a kingdom out of salt and blood  
Owned a city, never saw the streets  
Or the people that he'd never meet

Warm blood, cold heart  
Yeah, he's all alone  
He had it all, but it couldn't buy love  
Yeah, he died alone

Never made time for the family  
But he is the richest man in the cemetery  
Only made time for the company  
But he is the richest man in the cemetery  
He is the richest man in the cemetery  
But he is the richest man in the cemetery

Never made time for the family  
But he is the richest man in the cemetery  
Only made time for the company  
But he is the richest man in the cemetery  
He is the richest man in the cemetery  
But he is the richest man in the cemetery
