

Growing Song

Coin

Maybe I'm growing

I die every time
I open my eyes
Caught on a landslide
Motion sick
For a moment
Thorns in my roses
Turning me blue but

Maybe I'm growing
Maybe I'm growing out of you
Maybe I'm growing
Maybe I'm growing out of you
Maybe I'm a...

Goldfish
Out of the ocean
Put me on a soapbox
Then climb up my shoulders
I die when I show my teeth
How many heart attacks get second chances
Goodbye to the part of me
I never really knew

Maybe I'm growing
Maybe I'm growing out of you
Maybe I'm growing
Maybe I'm growing out of you
Maybe I'm growing
Maybe I'm growing
Maybe I'm growing

Maybe I'm growing
Maybe I'm growing out of you
Maybe I'm growing
Maybe I'm growing out of you
Maybe I'm growing out of you

Maybe I'm growing
Or maybe I'm not
