

Heart Eyes

Coin

I saw you walking
Under a parkway sign with a stranger, yeah
Saw no where of danger
That's her
Not like the others
Rose color dream but she's loving you
With a cartwheel heart never running out of room

What's another night out
What's another night out
Well call it what you want
But you go and you go and you go and you go

Take a little time off
Darling have you had enough
Well call it what you want
But you go and you go and you go and you go

Heart eyes, heart eyes
Come home tonight, come home tonight
Heart eyes, heart eyes
Come home tonight, come home tonight

1 2 3, you're killing me
An american dream, but you're mine
Oh baby, hurry over with a heartbreak kiss
I don't really wanna fight like this
Oh not tonight

What's another night out
What's another night out
Well call it what you want
But you go and you go and you go and you go

Take a little time off
Darling have you had enough
Well call it what you want
But you go and you go and you go and you go

Heart eyes, heart eyes
Come home tonight, come home tonight
Heart eyes, heart eyes
Come home tonight, come home tonight
