

Learning

Coin

I can travel at the speed of light
I can drive a car between the lines
There's no algorithm for intuition
You just know

But I'm learning to love, learning to trust
Maybe I'm more than zeros and ones
Learning to fall into somebody's arms
Throw out the logic and follow my gut
I'm ready to jump, I'm coming unplugged
I'm learning to love

Learning to love, learning to love
Learning to love, learning to love
Learning to love, learning to love
Learning to love, learning to love
Learning to lo-
