

## Self Care

Coin

I do it for myself  
I'm dancing for no one else  
I do it for myself, baby  
Ahhh

Turn the lights down, baby  
And turn it up to something we know  
Never felt so crazy  
Haven't slept in days  
I'm burning up breaking through the floor

(Oh wow!)  
When I find myself acting up  
(Freak me out!)  
When I find myself out of touch  
I'm sick of love songs, baby  
Pushing up daisies  
And I've just about had enough

I do it for myself  
I'm dancing for no one else  
I do it for myself, baby  
Ahhh

I do it for myself, baby  
I'm dancing for no one else  
I do it for myself, baby  
Ahhh

(I do it for myself)  
(Dance, dance, dance, dance)  
(I do it for myself)  
(Dance, dance, dance)

Never felt so proud  
I'm walking upside down  
Through talking televisions  
To swimming to superstitions  
And slowly submitting to the sound

(Oh wow!)  
I don't wanna be the one to look that way  
(Freak me out!)  
I don't wanna be the one to help you figure it out  
And I find myself acting up, so tell me  
Is it a crime to care for myself?

I do it for myself, baby  
I'm dancing for no one else  
I do it for myself, baby  
Ahhh

I do it for myself  
(Once you start it, you can't stop it)  
(Once you start it, you can't stop it)  
I do it for myself  
(Once you start it, you can't stop it)

(Once you start it, you can't stop it)

I do it for myself  
I do it for myself, baby  
I'm dancing for no one else  
I do it for myself, baby  
Ahhh

I do it for my-  
(I do it for myself)  
(Dance, dance, dance, dance)  
(I do it for myself)  
(Dance, dance, dance)  
(I do it for myself)  
(Dance, dance, dance, dance)  
Ahhh
