

## Sing Along

Coin

Somewhere in outer space  
I know there's a place  
Where we can float forever  
With a smile on your face

I wish my words were sweet  
They grow like lemon trees  
The less I say the better  
I'm coming clean

And I don't know why  
I do, I do it to you

How many times  
Can I be wrong  
I've been down for way too long  
How many tries  
Can I fit in a song  
Hoping you still sing along  
Buh buh buh  
Buh buh buh

Now you're crying in a car  
How did I get so far  
You know I don't mean it  
But what does that even mean?  
Now I'm owning my mistakes  
Baby, how did it get this way?  
I can't shake the feeling  
I'm turning cheeks

And I don't know why  
I do, I do it to you

How many times  
Can I be wrong  
I've been down for way too long

How many tries  
Can I fit in a song  
Hoping you still sing along  
Buh buh buh  
Hoping you still sing along  
Buh buh buh  
Buh buh buh
