Sunrise in orbit
I still can't tell the truth
Why do I play the fool when
Your eyes were never blue

But as the time rolls by
I will be on your side
Oh and the heart don't lie
I've been gone for so long
I don't remember why

Don't lose me again
Oh I'm coming home
I'm coming home
I wanna see you again
I don't know where to go
So I'm coming home
I'm coming home

I just start again
Start again
I'm just out of touch
And I've just about had enough

Sunrise in Harlem
There's no pudding
But here's the proof

But as the time goes by
I will be on your side

Don't lose me again
Oh I'm coming home
I'm coming home
I wanna see you again
I don't know where to go
So I'm coming home
I'm coming home

I just wanna start again
Start again
I'm just out of touch
And I've just about had enough

I just wanna start again
Start again
I'm just out of touch
And I've just about had enough
