

Capri

Colbie Caillat

She's got a baby inside
And holds her belly tight
All through the night
Just so she knows
She's sleeping so
Safely to keep
Her growing
And oh when she'll open her eyes
There'll be no surprise
That she'll grow to be
So beautifully
Just like her mother
That's carrying

Oh Capri
She's beauty
Baby inside she's loving
Oh Capri
She's beauty
There is an angel growing peacefully
Oh Capri

Sweet baby
And things will be hard at times
But I've learned to try
Just listening
Patiently, oh Capri

Sweet baby
Oh Capri
She's beauty
Baby inside she's loving
Oh Capri
Your beauty
Just like your mother
That's carrying...Oh Capri
