

# Never Getting Over You

Colbie Caillat

You want the end to be easier than the start  
I was a hopeful heart that you shattered apart  
You want to say goodbye and disappear  
Don't want to watch when I break down into tears  
I won't try to make you stay  
I won't even try to change your mind

Take a good look at the pain in my face before you walk away  
Memorize all the hurt in my eyes or what I say  
I'm gonna give you what you wanted but my heart will never stop  
Tell you that I'm fine even though I'm not  
You're gonna know for the rest of your life this is true  
I'm never getting over you, you  
I'm never getting over you, you

I won't pretend that I won't find someone else  
You'll be a closed book sitting there on the shelf  
I'll never have to open it again  
To know the pages of the words of what could have been  
I know where you're gonna be, where you're always gonna be  
Right in front of me

Take a good look at the pain in my face before you walk away  
Memorize all the hurt in my eyes or what I say  
I'm gonna give you what you wanted but my heart will never stop  
Tell you that I'm fine even though I'm not  
You're gonna know for the rest of your life this is true  
I'm never getting over you, you  
I'm never getting over you, you

I can't stop, look for me and you can't stop me from loving you

Take a good look at the pain in my face before you walk away  
Memorize all the hurt in my eyes or what I say  
I'm gonna give you what you wanted but my heart will never stop  
Tell you that I'm fine even though I'm not  
You're gonna know for the rest of your life this is true  
I'm never getting over you, you  
(Not over you, not over you, not over you)  
I'm never getting over you, you  
(Not over you, not over you, not over you)  
I'm never getting over you  
(Not over you, not over you, not over you)  
(Not over you, not over you, not over you)
